January, 2017

The Official Newsletter of the Richmond, Virginia Chapter of the American Guild of Organists

## JANUARY 2017 CHAPTER MEETING

Will be held TUESDAY, JANUARY 10, 2017 at  
Bon Air United Methodist Church, 1645 Buford Road, N Chesterfield VA 23235

Richmond chapter Sub-Dean Tom Bailey will present a program entitled:

### “Come, Labour On, T. Tertius Noble, His Life and Music”

Tom Bailey, fresh from his studies of the Noble archives in Boston, will lead us in a celebration of the 150th anniversary of the birth of T. Tertius Noble. Tom will guide us through Noble's organ literature and song from the spacious choir loft at Bon Air United Methodist Church. Bring your copy of Noble's "Magnificat and Nunc Dimittis" in B minor if you have one. Otherwise, copies will be provided. Come prepared to sing!

"I daresay that should I ask for everyone's favorite hymn, Noble's "Come Labor On" would receive a high ranking, and deservedly so. But there is still much to be found in a closer examination of Thomas Tertius Noble's life and music. Please come to our Chapter meeting on Tuesday, Jan 10th and I will share with you some of the things I recently learned in Boston, where the Noble archives are held. (The Organ Library and Archives is housed in the Boston University's School of Theology, and administered by the the Boston Chapter AGO.)

We will look at organ as well as choral literature, with a focus on Noble's Solemn March in E Minor, the anthem Souls of the Righteous, and his Magnificat and Nunc dimittis in B Minor. The anthem is undoubtedly in most members' choral library, and some may even have copies of the Evening Service in B Minor - please bring them along. I will make a few extra copies. The Solemn March can be found on the IMSLP website and downloaded. (It's called 2 Compositions for Organ.) When planning this meeting, I asked colleagues for a substantial organ with a spacious loft where we could study as a class as well as sing together. I was assured that Bon Air United Methodist Church fits the bill beautifully. With so many talented singers among our number, we should make for a fine choir. You will be asked to sit in sections. Here is a link to the Schantz organ with specs. [http://www.churchesofvirginia.org/bon\\_air\\_umc/index.htm](http://www.churchesofvirginia.org/bon_air_umc/index.htm)

In addition to scholarly things, you might even pick up a few bits of trivia, such as: the Nobles' family business, his mother's specialty in the kitchen, and Thomas' favorite tree to climb as a boy. Last but not least, 2017 is the 150th anniversary of his birth, the special reason we honor Thomas Tertius with this program. Please come."

# THE DEAN'S LETTER TO MEMBERS

I looked around me, and waved at the breakfast parties on the front lawns of Monument Avenue. I looked behind me, and there were only about 10 people left walking the 10K. I looked in front of me, and far, far away, was a pink backpack. I had signed up to walk the 10K, and didn't worry about being first or last, I just wanted to do it. But, when I saw the pink backpack, I became curious. What did it look like up close? Were there decorations on it? In my younger days, I was very good at the 50 yard dash, so I decided to sprint/walk and see if I could make it past the pink backpack. When I caught up with it and satisfied my curiosity, I was close enough to the Finish Line, and ran across! Hooray!

As I look around me, I see chapter members hard at work, building up the chapter through leadership in committees. I see people volunteer for various tasks as they arise. I see members working with each other on church programs and concerts. I see the support and feel the enthusiasm before and after concerts on Facebook, and at the programs, too!

As I look behind me, in addition to all we have done in the past, I see some new things we have done since I became Dean in June 2015.

**2017 Regional Convention** has been in the planning stages with the excellent leadership of Kenna Payne, the Steering Committee and the various other committees.

**Dean's Organ Tour** has been going to a variety of churches in the Richmond area. Playing on the large variety of instruments with chapter members has been a lot of fun!

"**Summer Fun**" has been a part of the newsletters. This has highlighted new musical opportunities that our chapter members have had over the summer months.

The chapter now has a **post office box**. Our mailing address is: Richmond Chapter AGO, PO Box 8664, Richmond, VA 23226.

**Donations form** for tax purposes is available for those who wish to donate music, music books and CDs to the Chapter.

**Building Bridges** has been a focus of the Executive Committee, and we have started out by reaching out to the Hymn Society by inviting them to participate in the September 2016 program. We have also provided sponsorship to Youth JAM in November 2016.

As I look in front of me, I don't see a plain pink backpack, but I do see the Finish Line. My term as Dean will end at the end of June 2017, and I see us continue to work until then on the Convention, the Chapter Programs, Organ Repertoire Recital Series concerts, our various committees and continuing to build bridges wherever we are. When I run to the Finish Line in June, I won't be disappointed seeing only a plain pink backpack. I will see beyond me to the continued bright future of our marvelous chapter. Happy New Year to you all!

## EDUCATION CONCERNS

Let me know if you are intending to take either of the two locally recorded exams this spring. I need to make arrangements for recording. The Service Playing Exam you may play on your church organ you are used to- or, if you play an electronic organ, we will need to find a pipe organ as that is what is preferred. The Colleague Exam is played on an instrument that you do not regularly play

Also, with the cold weather please check the tire pressure on you auto. Riding on under inflated tires will cause them to overheat and possibly burst.

## A MESSAGE FROM THE TREASURER

May I help with the your annual Forms 1099-MISC?

If you are involved in a leadership position in another group and the group might be required to send out Forms 1099-MISC to vendors for calendar year 2016, I would be glad to assist the group in generating those forms. The AGO chapter needs to issue such forms, so I purchase the software and forms for printing. I can share the software with your other group, and can offer instruction and general assistance in preparing the forms.

If you would like to discuss this with me, just give me a call. But don't wait too long – the forms have a January distribution deadline, and there might be some work to be done to gather all of the needed information.

## FROM THE CHAPLAIN

### *The Journey of Incarnation from Darkness to Light*

Darkness and Light are both real and metaphorical as they surround us during the Church's Journey of Incarnation from Advent to Christmas to Epiphany. Darkness and cold hover as we wait for the Star's Light over the place where the Christ Child lay. The manifestations of His Glory then unfold as Light in Epiphany reveals Jesus, the Light in the world.

Our hymnody in Advent beckoned us with the "King of the Chorales" calling for wakeful watching for the Coming-- first in Flesh and yet again in Glory in *Wake Awake, for Night Is Flying (Wachet auf)*. Epiphany's manifestations of Jesus are revealed in the "Queen of Chorales," *How Lovely Shines the Morning Star (Wie schon leuchtet)*. Phillip Nicolai composed both tune and text of both hymns in the musical rhythmic style characteristic of German chorales. The even rhythm of either hymn is a later development.

These chorale bookends are monuments of German hymnody. Lutheran Pastor Phillip Nicolai (1556-1608) prepared hymns in *Frewden Spiegel dess ewigen Lebens*, in 1599, "to leave behind me (if God should call me from this world) as a token of my peaceful, joyful, Christian departure, or (if God should spare me in health) to comfort other sufferers whom He should also visit with the pestilence." The plague threatened life itself and Nicolai's ministry had been challenged by Roman Catholics on one side and Calvinists on the other. Theologically he took part in the adoption of the Formula of Concord (1580) in response to Calvinist teaching about the Lord's Supper.

The chorale, "Wake Awake" is based on Matthew 25:1-13; Revelation 16:6-9; 21:22; 1 Corinthians 2:9; Ezekiel 3:17; and Isaiah 3:8. The German text was a reversed acrostic *W.Z.G.* for a former pupil. "O Morning Star, How Fair and Bright!" (a newer translation) based on Psalm 45 is also an acrostic in the original seven stanzas *W,E,G, U, H, Z, and W*, referring to a former student. Both hymns reflect the reputation of their composer as an outstanding preacher, a "second Chrysostom." With strong Biblical imagery, they raise praises for God's Son born of Mary, Savior of humanity whose second advent we await. The "Queen" is widely used for festive occasions including weddings. The tunes of both hymns, in addition to being congregational song used ecumenically today, are used by J. S. Bach (chorale preludes and cantatas) and other musicians in larger compositions. Instrumentalists and singers treasure this sacred song.

Light the candles! Light the Lights! Sing, rejoice, celebrate Christmas and Epiphany. Let these beautiful and strong hymns of praise be heard among us in praise of God incarnate in Jesus. Celebrate with light and song to praise God in flesh. May Matthew's "Immanuel" bear the Light of Christ as Peace and Hope in your life and community.

Peace in the Light of Christ,  
Pastor Elizabeth A. Yates, Chaplain

Take a deep breath, enjoy the last of the holiday season, and get ready to make the final push. Yes, only 176 days until the opening of the AGO's 2017 Mid-Atlantic Regional Convention, and the host chapter still has a lot to do.

Have you ever noticed how much faster time goes as you get older? Well, I think we'll all see that these days will pass increasingly quickly as we head into June. The Steering Committee still has a lot to do, and the chapter membership will get involved in numerous ways for the final preparation of the convention and the logistics of the events. So, let's all get focused on completing this task and be ready for whatever is around the corner!

#### YEAR-END REMINDERS

With December 31st, right around the corner, please let me remind you of several opportunities for your year-end charitable giving decisions.

The Chapter has several programs that always welcome contributions from members and non-members alike. The biggest chapter program is the Organ Repertoire Recital Series, which has been active for over 50 years in the Richmond community. This program presents three recitals per season of top-notch artists from around the world. While the fundraising effort is made primarily in the summer, contributions can be made year round.

The Chapter has two other ongoing programs which can benefit from your charitable dollar. The scholarship fund receives donations (designated by the donor) to help underwrite the chapter's cost of teachers for three organ students. Unrestricted gifts (including memorial and honor gifts) that are received will assist in covering the costs of the chapter meetings' programs.

And last, the Chapter will accept contributions toward the success of the 2017 Mid-Atlantic Regional Convention, which we are hosting in June. Many of you have already given to this event, and some still have balances on a multi-year pledge.

Contributions to the Scholarship and 2017 Convention funds can be made online through ONCARD. Checks are always accepted for all gifts, and they can be mailed to the chapter's Post Office box (P. O. Box 8644, Richmond, VA 23226).

The chapter's membership has always been generous to its professional organization and the programs, in both time and money. For that, the leadership and your colleagues are truly grateful.

Less than a month – Happy Holidays to all

### **CHAPTER ARCHIVES HELP NEEDED**

We are currently seeking volunteers to perform scanning of documents from the 100 plus year-old Richmond AGO archives collection. The chapter has purchased a computer and document scanner for the purpose of digitizing all of our historical documents dating back to our formation. Help is needed to scan some fifteen boxes of photographs, documents, newspaper clippings and programs into a computerized database so that we will have electronic backup copies of this collection of priceless material.

First Baptist Church on Monument Avenue has graciously provided space to house the equipment, and access is being provided for our volunteers to work in their office to facilitate the scanning process. If you have some time to dedicate to this important project, please contact John DeMajo (504-858-7689) or Donald Traser. We will provide you with all of the instructions and information needed, and will make arrangements for you to have access to the equipment and documents.

All that is required is a basic knowledge of computers running Windows 10, and some simple-to-use scanner programs.

Thank you,

Chapter communications team
