## THE DEAN'S LETTER TO MEMBERS

i thank You God for most this amazing

and a blue true dream of sky; and for everything  
which is natural which is infinite which is yes

(i who have died am alive again today,  
and this is the sun's birthday; this is the birth  
day of life and of love and wings: and of the gay  
great happening illimitably earth)

how should tasting touching hearing seeing  
breathing any—lifted from the no  
of all nothing—human merely being  
doubt unimaginable You?

(now the ears of my ears awake and  
now the eyes of my eyes are opened)

e.e. cummings  
1894-1962

As we wrap up the 2022-2023 program year, I can't help but think, "Wow. Thank you." We've had an amazing year, thanks to the outstanding contributions of our members, guest presenters, and recitalists. From the dedicated work of our Executive Committee to the Organ Repertoire Recital Committee and the "ad hoc" program committee, it has been an excellent experience.

This letter serves as my final communication as Dean of this esteemed chapter. Over the past two years, we have made significant progress, emerging from the challenges posed by the pandemic and adapting to the new world we found ourselves in. This journey was a collective effort, with all of us venturing forth and exploring new possibilities as we began our meetings. We are pretty much back to "full speed", but we have all been forever changed by our experience of the past few years. Throughout my tenure, we worked together to overcome various challenges, from finding volunteers and leaders to successfully organizing a POE+ event (special thanks to Kenna and Stephen!). I am immensely grateful to everyone who generously contributed their time, talents, and resources. It has been an absolute pleasure serving as Dean, and all of you have made it an incredibly rewarding experience.

As I pass the torch to our new leadership, I have one request: don't wait for the world to come to you; go out and actively engage with it. This can take different forms for different individuals within the AGO. For some, it may involve attending programs or recitals, while others may find fulfillment in volunteering. It could also mean staying informed through American Organist articles or keeping in touch via this newsletter. Our organization relies on the collective efforts of all its members to thrive, and everyone associated with the Guild is enriched by your presence.

So, once again, I want to express my deepest gratitude for your dedication and contributions to our chapter. Your commitment to excellence and hard work have made a lasting impact. Keep up the fantastic work, and may you continue to flourish in your future endeavors.

With heartfelt thanks,  
Scott Hayes, MM

## URGENT - NEW DUES POLICY DON'T BE LATE IN PAYING!

The AGO national office has implemented a new policy concerning dues payment and their due date. As of now, there is NO GRACE PERIOD after the due date of your renewal. Memberships renew at the beginning of each month of the year, based on the member's date of joining the AGO OR on July 1st, if the member was a member in 2014, when the ONCARD database system became effective. Within the Richmond chapter, as I'm sure is true nationwide, most memberships renew on July 1st.

The new policy DOES NOT provide for any grace period of paying dues beyond the renewal date. So, if you have a renewal date of July 1st and do not make your payment by that date, your membership will be cancelled approximately two weeks later. This pattern of processing will occur with every renewal date during the year. The AGO accepts payments by both credit cards and personal check. You can pay your dues by credit card in two ways. First, you can go online into your ONCARD account, select RENEW DUES AND SUBSCRIPTION, and follow the prompts (you will be asked to confirm / update your membership profile). You can print a copy of the invoice and/or receipt (after the payment is processed). Second, you can call the AGO office at 1-212-870-2310 and pay your dues with a credit card over the phone. AGO staff can also help you with any ONCARD problem.

You can also pay your dues by check, and will need a copy of the invoice to do that. You can get a copy of the invoice at your ONCARD account, or by calling the AGO office (number above). If needed, Chris Martin (1-804-405-2528) or I (1-804-512-5804) can get a copy of the invoice printed and to you via scan and email. Just be sure to send your payment in sufficient time to get to the AGO.

If your church or organization employer pays your dues directly (i.e., they send the check directly to the AGO), get them to mail the payment ASAP. Again, the payment needs to be at the AGO on or before your renewal date, and they will need a copy of the invoice. So, if you have not yet paid your June 1st, July 1st, or August 1st renewal dues, NOW is the time to take care of it. Re-instatement can be time-consuming, so avoid it!!

Let me know if you have any questions.

Chapter Treasurer

# CHAPTER LIFE UPDATES

*If you have news to share, please contact Chapter Life Coordinator **Donald Traser** at [donald.traser@gmail.com](mailto:donald.traser@gmail.com) call at 804-644-0888.*

We have lots of people to congratulate this month. First, outgoing Dean **Scott Hayes** is now a published author. He wrote the cover story for the June issue of *The American Organist*. Muller Pipe Organ Company, of which he is the tonal director, has created a “new” organ, 3 manuals, 40 ranks, using resources from two earlier instruments, at the Gay Street United Methodist Church in Mount Vernon, Ohio.

Next up, and closer to home, **Stan Baker** has retired as organist/choir director at Centenary United Methodist Church as of April 30 after a tenure of 32 years, probably the longest in the history of that ancient parish. As of June 1, he is the assistant musician at Grace & Holy Trinity Church.

**Donald Anderson** is not too far behind Stan. He is retiring from the Church of the Redeemer in Midlothian with 25 years of service. He’s looking forward to some free Sundays and visiting in other churches. **Dwight Graham**, who sings in the Redeemer choir and was for some years the musician at Saint Mary’s Church on River Road, will serve as an interim.

Finally, we welcome **Chris Bono** to the Richmond Chapter as a dual member from the Charlottesville-Albemarle Chapter. His bio will follow in a future issue.

Donald Traser, Director of Music Ministries at St. Matthew’s, discussed the process of commissioning composers of organ works. Fifteen works he commissioned from Franklin Ashdown, John Barr, John Behnke, Ted Davis, Raymond Haan, and James Pethel were played by Stan Baker, Chris Martin, David Purdy and Traser.-*Report and Photo by Bill Van Pelt*
