

The Richmond STOPLIST

October 2023

THE DEAN'S LETTER TO MEMBERS

Happy Fall! As I'm writing this, the weather seems like it's finally starting to turn (which I'm fully aware may only be temporary), the Food Network is running multiple Halloween-themed baking shows, and my various choirs are back in session, so it feels like the seasons are indeed turning. This Fall, most of our Chapter's activities will be clustered together in the span of about two weeks, so the end of this letter will be devoted to a bunch of save-the-dates, but before that:

First off, many thanks to everyone who helped to make our September meeting possible, including (but not limited to) Daniel Banke and Tom Bailey at Reveille UMC; Melissa Hawks for serving as the point person for the program; Scott Hayes for manning the grill; and Nancy and Marc Krauss, Curt Syndor, Cheryl van Ornam, and Chris Martin for playing in the recital (and I suppose a pat on my own back for playing, as well)!

Second, you've probably noticed the new format for the *Stoplist*. Around the time I was transitioning out as editor and Melissa was coming in, we got a suggestion that it might help the newsletter's readability and ease of access to switch to an e-mail-based format, and those of us on the Communications Committee agreed that it was an idea worth pursuing. In retrospect, I should have said something last issue when the new format debuted, but I was honestly surprised that it happened as quickly as it did, which is a testament to Melissa's industriousness! We will still send a physical copy to those who prefer that format, and a PDF will still be archived on the Chapter website, but hopefully many of you will find this new version easier to take in.

Thirdly, I mentioned in my September letter that I'd like to try reviving the Dean's Lunch, which obviously went by the wayside during the depths of the pandemic. To that end, please e-mail or call me (both are below in my signature) by **Tuesday, October 10** if you would like to meet for lunch at **MOSAIC Restaurant** (6229-A River Rd, Richmond, VA 23229) on **Tuesday, October 24 at 12:00 PM**. Hopefully this is something we might be able to resume doing a few times each season.

Finally, as I mentioned earlier, the way the fall calendar wound up shaking out, we have several events happening in quick succession. First up is our Halloween-themed recital at **St. Giles Presbyterian Church on Saturday, October 28 at 2:00 PM**. This is intended to be a family- and kid-friendly event, so please spread the word about that! If you are interested in playing, please contact Jason Brown (jbrown@fpcrichmond.org). The following Saturday, **November 4, Daniel Stipe** will be giving a clinic on hymn-playing at **Bon Air Presbyterian Church at 10:00 AM**. Many of you no doubt know Daniel as a superlative player of concert repertoire, but he is also terrific at leading hymns, so it will be fascinating to hear his thoughts on that topic. I'm unfortunately going to miss it because one of my sisters is getting married that weekend, but you should go! And last but not least, on **Friday, November 10 at 7:30 PM at Saint Benedict Catholic Church**, the first of the season's Organ Repertoire Recital Series concerts will feature **Anne Laver** on the 1996 Martin Pasi organ.

I hope all of your Fall activities are off to a good start, and I look forward to seeing you at one or more of our upcoming Chapter events!

LAST MONTH IN THE RICHMOND AGO

The Chapter met at Reveille United Methodist Church on September 12 for a cookout, installation of officers, and members' recital. Present for the installation were Ryan Tibbetts (dean); Kenna Payne (treasurer); David Purdy (secretary); and Mary Campbell, Stephen Henley, and Joel Kumro (members-at-large). Performing in the recital were Chapter members Nancy Krauss (joined by her husband, Marc, on clarinet), Curt Syndor, Cheryl Van Ornam, Chris Martin, and Ryan Tibbetts.

FROM THE HOSPITALITY COORDINATOR

I would like to re-introduce the position of Hospitality Coordinator and enlist help in the execution of its duties. The Hospitality Coordinator is a member of the Membership Committee and is charged with developing a program to increase new member integration into chapter life. To that end, I am looking for volunteers to be Chapter Ambassadors at our events. The Chapter Ambassador would be assigned for one or more meetings and would introduce new members (12 months or less).

The role of Chapter Ambassador would be an easy one to perform. Basically, at a meeting you would become acquainted with the new chapter members (I would send you their names) and then at some point in the meeting you would introduce them to the assembly. Here is the verbiage from the national organization as it pertains to the main thrust of the hospitality coordinator's mission: "Ensure that all chapter members are welcomed cordially at meetings and integrated graciously into the fabric of the chapter."

If you are interested in helping out and being an event's Chapter Ambassador, please contact me at my email listed below.

Here is more of what the national organization in New York envisions for the Ambassador Program: It provides *micro-volunteerism* opportunities for every member, without long time commitments, and can involve everyone to be more active in your chapter. It will strengthen member engagement, retention and will support chapter sustainability.

Chapter Ambassadors need not be comprised of board members only. Invite every member to serve periodically as a chapter ambassador, to welcome and engage new members and develop future members. The role of an ambassador includes but is not limited to:

- Being paired with a new member, former member or future member to serve as an escort at a chapter event
- Making sure that the new or prospective member feels engaged by introducing him or her to as many other members as possible

If you are interested in being an event's Chapter Ambassador, please contact me at (address); I'm also happy to take any questions, suggestions or comments you have on the roles of Hospitality Coordinator or Chapter Ambassador.

Regards,
Gary Kunde

CHAPTER LIFE UPDATES

Compiled by Donald Traser

Congratulations to our friend **Daniel Stipe**. Here's why: "I'm finally on a professionally produced album...you can hear me on piano on about a third of a terrific new release by the Atlantic Chamber Ensemble." The album released on September 1 and can be ordered at the link below.

Very few members of the Richmond Chapter will remember **William C. "Pat" Partridge** (*first picture below*), though a handful of us do. Originally from Chase City, Virginia, Pat studied organ with Bill Schutt, father of Richmond Chapter member Ed Schutt. Pat had his first church job in Richmond (see From the Archives elsewhere in this issue) and went on to have a distinguished career in Baltimore, Washington, and St. Louis.

Pat attended the University of Richmond and subsequently transferred to and graduated from the Cincinnati Conservatory of Music and the College of Church Musicians at Washington National Cathedral, where he studied with Leo Sowerby and Paul Calloway. He has been on the faculty of the Peabody Conservatory in Baltimore, American University in Washington, Webster University in Saint Louis, and the Catholic University of Puerto Rico. Pat served as dean of the St. Louis Chapter from 1996 to 1998 and as Canon Precentor at Christ Church Cathedral, Saint Louis, from 1981 until this summer. Well done, Pat!

Last, we extend our sympathy to the family of **Barbara Cole** (Mrs. Gilford A.) who died on August 23 at the age of 90. She studied organ with Richmond Chapter member Ray Collins and served at the Northside Baptist Church for 50 years, 1958-1993 as organist and director, and organist only until 2008. FROM THE ARCHIVES

with Donald Traser

This month we continue an occasional (perhaps monthly!) feature from our chapter historian featuring old photographs of organs, choirs, organists, churches, and so on from my personal collection, and perhaps some from others.

Laurel Street Methodist Church, corner of Laurel and Albemarle streets, was the church where I was baptized and confirmed. My mother's side of the family started attending there in 1915 when they moved to Richmond. The parish was founded in 1849, the cornerstone of this building was laid in 1880, and the building was destroyed by arsonists in 1968. The first archival photo is a 1939 newspaper photograph of the assembled choirs, promoting upcoming revival services. Annie Ruth Foster Pettit is the organist/director, in the center of the second row from the top. Also of interest is Bettie Ferguson (second from the right on the second row from the bottom), later Mrs. T. K. Slonaker. She was the mother of future organist and Richmond Chapter member C. L. Slonaker. See *The Organ in Richmond* for an account of the organ.

The second photo, taken between 1954 and 1956, shows the junior choir with C. L. Slonaker second from the right on the middle row. Third from the right on the back row is organist/director William C. "Pat" Partridge in his first church job. More about him elsewhere in this newsletter. This summer, he retired as canon precentor of Christ Church Cathedral in St. Louis at the age of 87 after 42 years of service.
