He conducted the semi-professional Cathedral Choir, the fully professional Cathedral Schola, and worked as Artistic Director of the Cathedral Concerts series. He released two choral CD recordings from the Cathedral, and was responsible for commissioning the Cathedral's Paul Fritts and Co. organ. In addition to his cathedral responsibilities, he served on the faculty at Capital University Conservatory of Music and Trinity Lutheran Seminary teaching organ literature. Dr. Thornock has recently been invited to play a solo recital at Notre Dame Cathedral in Paris in 2020.

## THE DEAN'S LETTER TO MEMBERS

*Dr. Christopher Reynolds*

I am honored to be writing my first message as your Dean. I hope that all of you had a fabulous summer and are ready for another exciting season of programs, recitals, and fellowship. I'd like to take this opportunity to share some information about the wonderful year of events that we have ahead of us in the Richmond chapter.

Our opening event, on Tuesday, September 10, will feature a lecture-recital on Augustin Barié's *Symphony for Organ* presented by Paul Thornock. Other events this season will include a Choral Techniques workshop led by Dr. William Bradley Roberts, a workshop on Worship Enhancements led by John Repulski, our ever popular Bach recital, and a recital featuring our scholarship students. The Organ Repertoire Recital series will feature some fabulous organists this year, including Daryl Robinson, Aaron Tan, and Clara Gerdes.

*The Rev. Dr. Gregory Hayes*

We also have a new chaplain for the chapter, the Reverend Dr. Gregory Hayes. Gregory retired from the West Virginia Annual Conference of the United Methodist Church in 2017 after forty years of pastoral service. The author of several books and articles, he is a graduate of Morris Harvey College, Princeton Theological Seminary, and the Methodist Theological School. An undergraduate music education major, he also holds a church music certificate from the conservatory of Shenandoah University. When not attending to grandparenting duties, Greg and his spouse Diane are active in the ministry of All Saints Episcopal Church. He is also the father of Sub-Dean Scott G. Hayes. We are thankful for the service of the Reverend Sue Reid as the former chaplain.

This year we will also continue the Dean's Lunches, but with a twist. There will be two lunches scheduled, as well as two "happy hours"! More information will be sent out via email.

Be looking for more details in the new sletter and email as they become available, and I look forward to seeing you as we get together to share our love of the organ!

## EDUCATION CONCERNS

Many of you are welcoming back your choirs from summer hiatus, and preparing for Fall, All Saints, Advent and Christmas will be on your mind. Consider learning one new organ piece from the repertoire listed for either the Service Playing Exam or the Colleague exam. These are played and recorded here in Richmond, and the recording is sent in to National AGO. You could also think about the Choirmaster certificate – you would go to a testing center for that one. Now, which member will be next to try for a certificate from AGO? Remember, happiness is being certified!!!

# “EXCLUSIVELY BACH”

with Capitol Opera Richmond, Jefferson Baroque, and Organ

This opening concert of GHTC's 2019-2020 Concert Series will showcase a broad and varied sampling of Johann Sebastian Bach's gorgeous music for voice, orchestral ensemble, and period and historic-replica instruments.

We are excited to feature the “premiere” arrangement by Jefferson Baroque of Bach's “Toccatina and Fugue in d-minor” for two violins, cello, and harpsichord as well as a concerto for two harpsichords.

We welcome you to join us for this spirited concert celebrating one of history's greatest musical composers!

A greet-the-artists reception will follow the concert. Admission to the concert is free.

## **Catawba College - Salisbury, North Carolina**

Catawba College is a small, faith-based (UCC), liberal arts college located about 45 miles north of Charlotte in the quaint town of Salisbury, NC. The 1000-seat Omwake-Dearborn Chapel, named for two former college presidents, is now 55 years old. At the time of the dedication, an electronic organ was in place but was later replaced by a 42 rank 3 manual Casavant pipe organ. Over the years, the pipe organ fell into disrepair and its baroque tonality fell out of favor. Several attempts were made to either repair the Casavant or replace it. Al Murrell, Vice President of R. A. Daffer Church Organs, Inc., built a strong relationship with Professor Paul Oakley and his successor Dr. Phillip Burgess by providing a Rodgers Organ for several Lessons and Carols services. Because of the relationships Al had built over the years with college personnel, the decision was made to award R. A. Daffer Church Organs, Inc the contract to install a new Rodgers Infinity four manual 84 stop custom organ and interface it with the best 17 ranks of the Casavant. This project, including new chests for the pipes, will be completed in April 2019. We would like to thank Dr. Phillip Burgess, Associate Chair of Music and Mr. Bill Graham, Chair of Trustees for their trust in the selection of a Rodgers Organ to be used for the many weddings and services that are held in this beautiful chapel.
